

# Javani™ Deep Moisturizing Cream

## Product Offerings:

- 1 oz. (KCJ-502)
- 10-1 oz. tubes (KCJ-520)

## Ingredients:

Purified Water, Natural Micronized Collagen, Hyaluronic Acid, Elastin, Sorbitol, Jojoba Oil, Sweet Almond Oil, Lecithin, Mineral Oil, Glycerin, Palmitate (Vitamin A), Sunflower Seed Oil, Soybean Oil, Tocopheryl Acetate (Vitamin E), Canola Oil, Ascorbic Acid (Vitamin C), Hazelnut Oil, Carbomer, Tea Tree Oil, Methylparaben, Propylparaben, and Sandalwood Oil.

## Product Overview:

Javani™ Deep Moisturizing Cream is a collagen-based moisturizer that quickly absorbs into the skin on contact, infusing it with moisture, antioxidants, vitamins and essential oils. Javani™ Cream is the first moisturizer to deliver micronized, intact collagen that absorbs into the epidermis. Collagen draws and holds moisture in the skin, leaving it soft, supple and amazingly beautiful!

- all natural
- alcohol free
- no oily residue
- vitamins & antioxidants
- essential oils

## Uses:

Javani™ Deep Moisturizing Cream can be used as a daily facial and body moisturizer. Repeated use diminishes the appearance of fine lines and wrinkles. Javani™ Cream can also be used in any skin rejuvenation treatment where moisturizing and soothing is required.

Treatment	Effect
Javani™ Facial	This two-stage facial using Javani™ Gel and Cream makes fine lines disappear, improves texture, and adds a soft, healthy glow.
Laser skin resurfacing	Restore moisture to dry and irritated areas affected by laser energy by applying post-treatment.
Microdermabrasion	Applying post-treatment smoothes rough texture and restores moisture lost to the removal process.
Hair removal	Apply post-treatment to soothe and moisturize irritated skin.
Chemical peels (includes alpha hydroxy)	Massage into skin after treatment to replenish moisture removed by chemicals used to peel away dead skin cells.

## Application Notes:

Javani™ Deep Moisturizing Cream is intended for normal skin. Gently massage small amounts of Cream into the skin of the face, neck, and hands until it completely disappears. Massage by hand or infuse with an ultrasound or optical machine. Apply extra Cream to problem areas.

Javani™ Cream absorbs completely and does not leave any residue on the surface of the skin. Expect treated areas to feel softer and smoother, without any drying.

## Notices:

Contains bovine collagen. Do not use product if you are allergic to bovine materials (e.g. beef products, leather). For external use only. Avoid eye contact. If eye contact occurs, rinse eyes thoroughly with water. Discontinue use if signs of irritation or rash appear. If irritation or rash persists, consult a doctor. Keep out of reach of children.

## Storage:

Store in a cool, dry place.
